

We are pleased to announce that on April 16, 2009 the Court granted final approval of the class action settlement with General Motors regarding the Saturn VTi transmission.

The Claim Form for submitting claims for reimbursement is not yet available. Under the terms of the settlement agreement, GM has until the "Effective Date" to supply us the final claim form. The "Effective Date" is June 1, 2009. If the Claim Form is made available to us prior to the effective date, then we will post a copy of the Claim Form on our website.
